“God Centered Education For Life”

March Theme: The Foreman (respectful)

A lot has changed since the last Home Bulletin on March 9. Little did we know that school would be taking place at home. We all hope and pray that everything is going well for you and that your family is adjusting to a new style of education.

This is a learning experience for all of us - students, parents, and teachers. It is going to require patience as we try to adjust to a new style of instruction. If we all work together we can make this a positive experience. The key to providing a successful learning opportunity for your children is communication. I know that the teachers at SCS are committed to providing quality God-centered education for your children and they plan to be available to guide you through the "home learning" process. The teachers at SCS also value your input. If you have suggestions for ways we can help, please let us know.

In a couple weeks, I will be sending out a survey asking how things are going with home instruction. I want to wait awhile so that teachers have an opportunity to get a system in place.

In His service,
Pete Van Velzen

Homework Packets

Thursday, March 26 is the first scheduled drop off and pick up day. Tables will be set up outside Jena Dykstra's office where you can drop off your child's work and pick up the assignments for the next week. You can stop at school anytime between 8:00 am and 5:00 pm. If you do not feel comfortable entering the building, call the office (324-2429) and someone will come out to your car.

SCRIP:

We will continue with Scrip like we did last week and this week. Julie will pick up the Scrip at Immanuel and First CRC on Monday morning at 9. You can then pick up your scrip anytime on Thursdays in Jena's office or it will be placed with your child's homework for the following week.

The "cash and carry" box is also available. Jena is in her office every day.
